

2024 Colloquium on Qualitative Health Sciences Research

May 3rd, 2024 - 10am – 2pm CST

In person and virtual (via Zoom)

Hudson College of Public Health, Room CHB150 | 801 NE 13th Street
Oklahoma City, OK 73104

Keynote Speaker:

Nicolette I. Teufel-Shone, PhD, Northern Arizona University
“Using a Two Eyed Seeing Approach in Collaborative Qualitative Research”

The OUHSC Qualitative Methods Community of Practice (QMCOP) and the TSET Health Promotion Research Center invite you to submit an abstract for presentation at the annual *Colloquium on Qualitative Health Sciences Research*.

Register to attend as a presenter or non-presenter. Registration and attendance are free.

This will be a come-and-go event!

The QMCOP aims to build the OUHSC’s capacity and reputation in employing excellent qualitative research methods in the health sciences. The 2024 *Colloquium* offers opportunity for students, trainees, public health professionals, faculty, and community members to present studies that are either completed or works in progress.

Lunch: A catered lunch will be provided for all in-person attendees (vegan and vegetarian options available).

Submit an abstract (200-word limit) or register to attend at

<https://redcap.link/QHSROColl2024>

Registration and Abstract Submission

Deadline: March 15th, 2024

Acceptance Notification: April 1st, 2024

Abstracts will be accepted for oral presentation (hybrid) or poster presentation (in person only).

Awards: \$250 Student and Trainee Prizes for best poster presentation and oral presentation (2 prizes total)

Conference Proceedings: Abstracts will be published in conference proceedings and available on the Oklahoma Shared Clinical and Translational Resources website
